Making Planet Earth Cool

Be Part Of One Of Ireland's Fastest Growing Climate Action Communities

About us.

Picture this... A thick green forest, teeming with activity, Bees buzzing, Birds Chirping & a beautiful mix of trees.

We are on a mission to create 100 of these forests along Irelands Wild Atlantic Way.

These forests are created for the planet with the support of our CoolPartner community.

Why Choose Us?

If you are looking at developing a Corporate Social Responsibility Strategy, we are exactly what you need.

We create wonderful forests that include; conservation areas for bees, bats, birds, and frogs. By being part of our community, your business is actively involved with real climate action.

Community

We are passionate about being involved with the communities in which we operate.

We support local youth teams, local businesses and suppliers in the communities in which we operate.

Habitat Creation

We are creating forests for the planet along Ireland's Wild Atlantic Way.

In these forests, we are creating habitats for native Irish Bees, Birds and Bats.

Streaming Technology

Our forests feature live HD video streaming, which streams 24 hours a day via Starlink.

This gives your business the opportunity to make your climate action real and bring your CSR into the Board Room via our unique technology
